

About Our Charlotte, NC Law Firm

If you have been injured in a car accident, Rosensteel Fleishman, PLLC can help. Whether you are seeking compensation for your injuries, seeking advice on your legal options, or seeking guidance on how to handle this difficult time, our car accident lawyer in Charlotte is here to assist you. We understand that a car accident can be an emotional situation. We will treat your case with the utmost professionalism and care so that you can feel comfortable working with us throughout this process. Our goal is to provide excellent service to all of our clients, whether they need help filing a claim or want to know more about their rights under the law. We have represented thousands of accident victims throughout North Carolina and we understand that every case is unique. That's why we offer free consultations so that we can identify any potential issues with your case at the beginning of the process. Once we determine what is most appropriate for your particular situation, we will work diligently on your behalf until your case has been resolved as best it can be.
